Due to the overwhelming response to the hands-on training sessions and limited seating capacity, we will be pre-registering for all hands-on training sessions. Please select and prioritize (1 - highest priority) the hands-on training sessions you would like to attend. If you do not wish to attend the hands-on sessions, please leave this section blank. You will receive your assigned sessions when you receive your registration packet at the workshop. We hope that we will be able to honor all pre-registrations.
